TOP CROP STANDARD TERMS AND CONDITIONS:

We can not hold orders from spec plantings for longer than 7 days.

All orders are to be placed before 12pm each Thursday, for dispatch the following week. All orders are to be faxed or emailed to Top Crop. No order will be taken telephonically. Orders from the spec lists are on a 1st come, 1st served basis.

Courier deliveries are for customers account and Top Crop does not accept responsibility for damages during transit.

The purchaser shall inspect the seedlings on receipt, and report any short deliveries and/or defective seedlings by endorsing the Waybill/Delivery Note, failing which the purchaser shall be deemed to have accepted delivery of the seedlings.

All complaints must be placed in writing within 24 hours of receiving plants. Quoted prices are subject to availability of plants. Any delays or non-delivery through non-germination or any other cause will exonerate us from delivery. You may direct any complaints to customercare@superlawn.co.za.

Quoted prices are ex vat. Terms strictly Cash in Advance. Credit Applications are available from the

Ellepot paper system. Large plugs

All paper pot plugs are grown in a **90 mm x 38 mm** polytray. The roots are chemically pruned after they penetrate the paper.

These plugs are very solid as the paper holds the roots together allowing for easy transporting and minimal stress at transplanting.

These plugs can be planted directly into the ground as survival is excellent.
